

# We Dance to the Beat

Robyn

We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat

We dance to the beat of the continents shifting under our feet  
We dance to the beat  
We dance to the beat  
We dance to the beat of a new, better, faster breed  
We dance to the beat  
We dance to the beat  
We dance to the beat of radioactivity blocking the exits  
We dance to the beat  
We dance to the beat  
We dance to the beat of false math and unrecognised genius  
We dance to the beat  
We dance to the beat  
We dance to the beat of distorted knowledge passed on  
We dance to the beat  
We dance to the beat  
We dance to the beat of a distant rumble  
We dance to the beat  
We dancing  
And it's loud and proud  
And it's loud and proud  
And it's loud and proud

We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat

We dance to the beat of silent mutation  
We dance to the beat of your brain not evolving fast enough  
We dance to the beat of raw talent wasted  
We dance to the beat of bad kissers clicking teeth  
We dance to the beat of opportunity knocking  
We dance to the beat of an eviction next door  
We dance to the beat  
We dance to the beat  
Of another recycled rebellion  
Of consolidating assets  
Of another crowd losing it  
Of your voice breaking up in static  
Of suburbia burning

Of communication gone mad  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat

And we don't stop  
And we don't stop  
And we don't stop  
And we don't stop  
And we don't stop

We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance to the beat  
And we don't stop  
And we don't stop

We dance to the beat of a billion charges of endorphin  
We dance to the beat  
We dance to the beat  
We dance to the beat of a love lost and then won back  
We dance to the beat  
We dance to the beat  
We dance to the beat of source code and conjuring  
We dance to the beat  
We dance to the beat  
We dance to the beat of gravity giving us a break  
We dance to the beat  
We dance to the beat  
We dance to the beat  
We dance...
