

# Higher

Roch Voisine

Sometimes it's so hard to explain  
What our hearts conceal.  
I would just get lost in between  
The things I feel.  
Now all I want to do for you  
Is to rectify. (Rectify)

All I meant to say  
Every night and day  
You set my heart on fire.  
You're the air I breathe.  
You're the rarity.  
Takin' me higher.

And then you'll never know.

All I meant to do for you, my love  
Is turn the world around  
All I meant to do for you, my love.  
My hands were tied down.  
If I ever failed you, Angel,  
Won't you let me try? (Rectify)

All I meant to say  
Every night and day  
You set my heart on fire.  
You're the air I breathe.  
You're the rarity.  
Takin' me higher.

And then you'll never know.

(Sometimes it's so hard to explain.)  
If I ever failed you, Angel,  
Won't you let me try?

All I meant to say  
Every night and day  
You set my heart on fire.  
You're the air I breathe.  
You're the rarity.  
Takin' me higher.

And then you'll never know.
