Long Ago And Far Away

Rod Stewart

Dreary days are over Life's a four-leaf clover Sessions of depression are through Every hope I longed for Long ago comes true

Long ago and far away, I dreamed a dream one day And now that dream is here beside me Long the skies were overcast but now the clouds have passed You're here at last

Chills run up and down my spine, Aladdin's lamp is mine The dream I dreamed was not denied me Just one look and then I knew That all I longed for long ago was you

Chills run up and down my spine, Aladdin's lamp is mine The dream I dreamed was not denied me Just one look and then I knew That all I longed for long ago was you
