

# Love Is

Roger Daltrey

As cold as it seems  
When truth brings you heartache  
It's so hard to believe  
When love hits the wall

Love is  
My faith in you  
When it could have ended  
And your trust in me

Love is  
Everything I need to live  
Love is  
Everything that we forgive  
Love is  
Every crime of passion  
That's what love is

Where would I go'  
What would I do'  
What would it mean'  
To meet a perfect stranger

Why do we hurt'  
Who draws the line'  
When do we learn to look inside'  
What love is

So many years  
You can't take for granted  
You can't take away  
All the things you are

Together so long  
I know where my heart is  
Somewhere in me  
(Oh yes)  
I'll find a way to show

Love is  
Every lesson we have learned  
Love is  
Every soft unspoken word  
Love is  
Every crime of passion  
That's what love is

Where would I go'  
What would I do'  
What would it mean'  
To meet a perfect stranger

Why do we hurt'  
Who draws the line'  
When do we learn to look inside'

Everything I need to live

Love is  
Everything that we forgive  
Love is  
Every crime of passion  
That's what love is

Love is  
Every lesson we have learned  
Love is  
Every soft unspoken word  
Love is  
Every crime of passion  
That's what love is
