

I Will Always Love You

Roger Whittaker

If I should stay
Well, I would only be in your way
And so I'll go, but yet I know
That I'll think of you each step of my way
And I will always love you
I will always love you
Bitter-sweet memories

That's all I have, and all I'm taking with me
Good-bye, oh, please don't cry
Cause we both know that I'm not
What you need

I will always love you
I will always love you

And I hope life, will treat you kind
And I hope that you have all
That you ever dreamed of
Oh, I do wish you joy
And I wish you happiness
But above all this
I wish you love
I love you, I will always love

I, I will always, always love you
I will always love you
I will always love you
I will always love you
