## I Will Always Love You

**Roger Whittaker** 

If I should stay Well, I would only be in your way And so I'll go, but yet I know That I'll think of you each step of my way And I will always love you I will always love you Bitter-sweet memories

That's all I have, and all I'm taking with me Good-bye, oh, please don't cry Cause we both know that I'm not What you need

I will always love you I will always love you

And I hope life, will treat you kind And I hope that you have all That you ever dreamed of Oh, I do wish you joy And I wish you happiness But above all this I wish you love I love you, I will always love

I, I will always, always love you I will always love you I will always love you I will always love you
