

# New World In The Morning

Roger Whittaker

Everybody talks about a new world in the morning.  
A new world in the morning so they say.  
I, myself don't talk about a new world in the morning.  
A new world in the morning, that's today.

And I can feel a new tomorrow comin' on.  
And I don't know why I have to make a song.  
Everybody talks a bout a new world in the morning.  
New world in the morning takes so long.

I met a man who had a dream he had since he was twenty.  
I met that man when he was eighty-one.  
He said too many people just stand and wait up til the  
mornin',  
Don't they know tomorrow never comes.

And he would feel a new tomorrow coming on.  
And when he'd smile his eyes would twinkle up in thought.  
Everybody talks about a new world in the morning.  
New world in the morning never comes.

And I can feel a new tomorrow coming on.  
And I don't know why I have to make a song.  
Everybody talks about a new world in the morning.  
New world in the morning takes so long.
