Do Me Wrong

"Get ya' shoes get ready let's go out Grab ma' keys I'm ready let's fly out Oi babe shut the door 'cause tonights your lucky I'm a show you how I do the damn thing it's the weekend So I fling on a couple new garms Ring up a couple of my dogs"

"I got some desil in my truck and so I'm ready to roll I got my dollas in my purse and this I already know 'cause I've been workin 9 to 5 and searchin deep in my soul 'cause my happyness is in my control.

Put some meaning and a purpose mix it up a bowel And you can get it if you want it if you focus control And if it's lovin' that you need or some paper to blow Don't be waitin' on a man like before"

"Yo, look, yep were doin it yep yep were doin it I'm so into your vibe I'm introducing it You see my style is so smooth init Well you could have it it's yours it's all you in it Hold the door to init yeah yeah I'm doin it Uncle L L do it so well init I'll sweep you off your feet I see you round here all day like a... Straight into the best busy girl what you like busy boy underst and rude girl busy life Numbers are nice tho see me b' light I ease in the thighs And ease up behind money in the bank tank says full up Now we can take mine or yours now just pull up Can you pull hood up I'm guessin' you couldn't"
