

Racist People

Roll Deep

We don't like racist people black yellow white pink or orange we don't care we just don't like racist people no no any way were all the same but in different. good is good evil is evil

When will u learn people are people

We don't like racist people so step up in your pace and be the same you should be ashamed.

Don't judge me from my skin colour because we're all the same remember back in the days we didn't get along now we do.

We don't like racist people so step up in your pace and be the same you should be ashamed.
