

First Chance I Get

Ron Sexsmith

First chance I get, I'm gonna write you a letter
Tell you everything I'm feeling
First chance I get, I'm going to make it better
Then we can both start healing

But right now, there's blood everywhere
Tears and despair
And the mirror is cracking

First chance I get, I'm gonna send my blues packing

First chance I get, I'm gonna take you somewhere
Somewhere safe and secluded
First chance I get, I'm gonna take you up where
Pure love ain't diluted

But right now the roads are bad
World's going mad
But I swear, we're gonna get there someday
(Someday)

First chance I get, I'm gonna plan out the big getaway

But right now I'm occupied, my hands are tied
But I swear I'm gonna get 'round to it
(To it)

First chance I get, I'm gonna say, ?I love you? and prove it
First chance I get, I'm gonna say, ?I love you? and prove it
Oh, first chance I get, I'm gonna say, ?I love you? and prove i
