

# If Tomorrow Never Comes

Ronan Keating

D C G

G Am D C D C G C G  
Sometimes late at night I lie awake and watch her sleeping

D C  
She's lost in peaceful dreams

D C G C G  
So I turn out the light and lay there in the dark

Am D  
And a thought crosses my mind  
C G C G  
if I never wake in the morning

D C  
Would she ever doubt  
D C G C G  
The way I feel about her in my heart

C G C G  
If tomorrow never comes, would she know how much I love her

D  
Did I try in every way  
C D C G C G  
to show her everyday, that she's my only one

C  
If my time on earth were through

Em  
She must face this world without me

C D  
Is the love I gave her in the past, gonna be enough to last  
C G D C G  
if tomorrow never comes

Am D  
Cause I've lost love once in my life  
C G C G  
who never knew how much I loved her

D C  
Now I live with with those regrets  
D C G C G  
and that those feelings for her were never revealed

Am D  
So I made a promise to myself  
C G C G  
say each day how much she means to me  
D C D  
and avoid that circumstance where there's no second chance  
C G D C G  
to tell her how I feel

C  
to tell that someone that you love  
D  
just what you're thinking of  
G D C G  
if tomorrow never comes
