

I was born by steel  
In the middle of precipitate rocks,  
I am a strong, powerfull warrior,  
I am Rodäxx!

I will liberate my land from Dygon,  
The dangerous monster, that is about to destroy us,  
I am Rodäxx!

My sword is able to break rocks,  
I will defeat Dygon with it,  
I will defend my land and nation,  
I am Rodäxx!

Nobody will stop me anymore, I embarked upon the fight,  
Away with all superstitions,  
I am Rodäxx!
