

Sidity

Roscoe Dash

She got pictures of her last man, all in her trash can
She focus just hopeless, you too much like her past and
She in a mind state where her grind rate
Sets her apart from all the live bait
She makes her own joke, she extraordinary
And those hips and thighs you dream about she more than carries
Pills and berries can't describe how she measures up
She's a dime, that describes why she acting up

She acting all sidity it's cause she know she's bad
She makes her own money, spend it like she never had
Shes way too smart for scheming, she got too much class
So when she in the room, she got it on smash
Girl, I want it, girl I want it
You got my attention, you got my attention
You got it flauntin', you got it flauntin'
You got me wishing, you got me wishing
I can have it all, baby just for one night
Need another... feeling your type
Know you want it, yeah, yeah

I'm in here with my crew yelling fuck these other niggas I did search around
the city, can't nobody do it bigger
Poppin' bottles errday errday that's my prescription
Getting paper errday errday, that's my subscription
It's a fuck everybody in the world kind of day everything goes, cause I'm th
at kinda paid
That's the girl you wifen' what you're trying to say
She cute like I might fuck on wednesday when I'm high kind of way
Dem niggas made it, me and my niggas made it
Yeah I know you've seen me on, and she reppin' Finally Famous
And my crew round me paid, like getting rich contagious
That's why Ms. Sophisticated dance around like she in cages... woah
Twisting up my fingers, hands flipping through the paper like my fingers cou
ld read
All my... All my music knocking like it's the fucking police,
Snatching bottles out her hair like this shits for me

She acting all sidity it's cause she know she's bad
She makes her own money, spend it like she never had
Shes way too smart for scheming, she got too much class
So when she in the room, she got it on smash
Girl, I want it, girl I want it
You got my attention, you got my attention
You got it flauntin', you got it flauntin'
You got me wishing, you got me wishing
I can have it all, baby just for one night
Need another... feeling your type
Know you want it, yeah, yeah

I think I know what it is, yeah!

See it, see!

Lehhh go

They can't understand it you bama niggas been actin frantic

You manage to leave them stranded, well mannered and rubberband it

Up Up and when I look up well there you are

You a star with a car, I'm in love, go cigar?

You deserve it, stop in the mall lil' intercourse and movies
Probably end all your nights with champagne, and Jacuzzi
Celebrating the life, you work hard for and I approving
Girl, you're one of a kind, and your kind is so seducing!
She lead by example, like it's her duty, she got him at a standstill
Well how she do it, independent than a muhhh
But that muhh got her stupid
She probably following love, if she ever got to knew me.

She acting all sidity it's cause she know she's bad
She makes her own money, spend it like she never had
Girl, I want it, girl I want it
You got my attention, you got my attention
You got it flauntin', you got it flauntin'
You got me wishing, you got me wishing
I can have it all, baby just for one night
... feeling your type
Know you want it, yeah, yeah

Girl, I want it, girl I want it
You got my attention, you got my attention
You got it flauntin', you got it flauntin'
You got me wishing, you got me wishing
I can have it all, baby just for one night
Need another... feeling your type
Know you want it, yeah, yeah
