

Can't get the stink off
He's been hanging around for days
Comes like a comet
Suckered you but not your friends

One day he'll get to you
And teach you how to be a holy cow

You do it to yourself, you do
And that's what really hurts
Is you do it to yourself, just you
You and no-one else
You do it to yourself
You do it to yourself
You do it to yourself
You do it to yourself
You do it to yourself

Don't get my sympathy, hanging out the fifteenth floor
You've changed the locks three times
He still comes reeling through the door
One day I'll get to you
And teach you how to get to purest hell

You do it to yourself you do
And that's what really hurts
Is you do it to yourself, just you
You and no-one else
You do it to yourself
You do it to yourself

You do it to yourself you do
And that's what really hurts
Is you do it to yourself just you
You and no-one else
You do it to yourself
You do it to yourself
