

Electric Elephant

Rotersand

Looking for appreciation
Longing for subordination

I'm yours
I..., I..., I...
I'm yours
I..., I..., I...
I'm yours

"Electric Elephant"
[Chorus]
If you can trump again
If you can trump again
Make me crazy!
If you can clap your hands

If you can clap your hands
Make me crazy!

On the verge of suffocation
Bursting with anticipation

I'm yours
I..., I..., I...
I'm yours
I..., I..., I...
I'm yours

"Electric Elephant"

I..., I..., I...
I'm yours
