

Who Are We Now?

Rotersand

When I look outside my window
I see the flag of truth is stained and torn
When I listen to the wind blow
I can hear the whisper of a rising storm

[Chorus]

Who are you now, madman?
Sad man, who are you now?
Who are we now, fireman?
Retireman, who are we now?

Who are you now, now, now?
Who are you now, now, now?
What do you know, know, know?
What do you know, know, know?

I can hear the people talking
I can read the ugly writings on the wall

Are you prey or are you stalking?
And it feels like doom is waiting for its call

[Chorus 2]

What do you know, madness?
Sadness, what do you know?
What do we know, blindness?
Kindness, what do we know?

What do you know?
What do you know?

Who are you now, now, now?
Who are you now, now, now?
What do you know, know, know?
What do you know, know, know?

What do you know?
