

Punch Drunk Love

Royal Republic

Punch drunk
Punch drunk love
I need a punch drunk
Punch drunk love

I need a new friend
Mine got old
She's got a new friend
So I'm told

Punch drunk, let's go
I hit you in the eye
You know the punch drunk?
Let's go, I hit you by surprise
Punch drunk, let's go
I hit you in the eye baby

Punch drunk
Punch drunk love
I need a punch drunk
Punch drunk love

I need a new fix
The buzz got cold
But I was young then
And now I'm old

Punch drunk, let's go
I hit you in the eye
You know the punch drunk?
Let's go, I hit you by surprise
Punch drunk, let's go
I hit you in the eye
Hit you by surprise
If you'll be my bitch you gotta punch drunk
Let's go, I hit you in the eye baby

Punch drunk
Punch drunk love
I need a punch drunk
Punch drunk love

Punch drunk, let's go
I hit you in the eye
Punch drunk, let's go
I hit you by surprise
Punch drunk, let's go
I hit you in the eye
Hit you by surprise
If you'll be my bitch you gotta punch drunk
Let's go, I hit you in the eye baby
