

# Last Time

Rudimental

I will never run, will never run  
Will never run from you  
And if the rain will come I won't give up  
I won't give up on you, no  
Oh, I know I make mistakes  
Oh, I leave your way too late  
Oh, just say what I wanna say

We don't live forever  
We don't live forever  
We don't live forever, no  
We don't live forever  
We don't live forever (No we don't, no we don't, no we don't)  
We don't live forever (No we don't, no we don't, no we don't)  
We don't live forever, no (No we don't, no we don't, no we don't)  
We don't live forever (No we don't, no we don't, no we don't)

Like it's the last time  
Like it's the last time  
Gonna give you my heart like it's the last time  
It's the last time, oh  
Like it's the last time  
Gonna give you my heart like it's the last time  
Wanna give you my heart like it's the last time  
Like it's the last time, oh

Life won't wait for us  
So can we just forget it all tonight  
And lay our differences down  
And love each other right  
Oh, I know I make mistakes  
Oh, I leave your way too late  
Oh, just say what I wanna say

'Cause we don't live forever  
We don't live forever  
We don't live forever, no  
We don't live forever  
We don't live forever (No we don't, no we don't, no we don't)  
We don't live forever (No we don't, no we don't, no we don't)  
We don't live forever, no (No we don't, no we don't, no we don't)  
We don't live forever (No we don't, no we don't, no we don't)

Like it's the last time  
Like it's the last time  
Gonna give you my heart like it's the last time  
It's the last time, oh  
Like it's the last time  
Gonna give you my heart like it's the last time  
Wanna give you my heart like it's the last time  
Like it's the last time, oh

Oh, like it's the last, like it's the last time  
Oh, like it's the last, like it's the last time
