

Scared of Love

Rudimental

I can see it in your eyes
You're lockin' up your mind
You wanna turn around and run
I wanna say this every time
When I'm wavy from the wine
But I always bite my tongue

I know you've been through some shit
What's love got to do with it
It's okay, we've all been hurt before
You tell me that's the lesson learned
You played with fire, you got burned
You got burned
Yeah, you got burned

Don't be scared of love
Baby, you got some bruises
Like the rest of us
I got you, I got you
Don't be scared of love
Baby, you got some bruises
But when it gets too tough
I got you, I got you

Don't be scared
Don't be scared of love
Don't be scared of love
Don't be scared
Don't be scared

Even when you're down or when you're hopeless
I'll be there for you to make sure you're blessed
You ain't gotta ride for me, I'll ride for you
I don't even really want you to say
Too much 'cause I know the feelin' of pain
I just wanna make sure that you stay you

'Cause in the early morning
You get stressed and don't come out
I'm right here, I'll fight it with you
Dem coulda never walk in your shoes
Dem coulda never take your shine
So don't be scared of love
Oh-oh-oh

Don't be scared of love
Baby, you got some bruises
Like the rest of us
I got you, I got you
Don't be scared of love
Baby, you got some bruises
But when it gets too tough
I got you, I got you

Don't be scared
Don't be scared of love
No, don't be scared of love

Said don't be scared
Don't be scared

I got you and I know how you feel
Can see inside your head
I got you and I know how you feel
Just call me and I'll be there

I got you and I know how you feel
Can see inside your head
I got you and I know how you feel
Just call me and I'll be there

Don't be scared of love
Baby, you got some bruises
Like the rest of us
I got you, I got you
Don't be scared of love
Baby, you got some bruises
But when it gets too tough
I got you, I got you

Don't be scared
Don't be scared
Said don't be scared of love
Don't be scared
Don't be scared
