## **Sweet Miracle**

I wasn't walking on water I was standing on a reef When the tide came in Swept beneath the surface Lost without a trace No hope at all No hope at all

Oh - sweet miracle Oh - sweet miracle Of life

I wasn't walking with angels I was talking to myself Rising up to the surface Raging against the night Starless night

Oh - sweet miracle Love's sweet miracle Of life

I wasn't praying for magic I was hiding in plain sight Rising up from the surface To fly into the light
