## **The Fountain of Lamneth**

[I. In the Valley]

I am born I am me I am new I am free Look at me I am young Sight unseen Life unsung

My eyes have just been opened And they're open very wide Images around me Don't identify inside Just one blur I recognize The one that soothes and feeds My way of life is easy And as simple are my needs

Yet my eyes are drawn toward The mountain in the east Fascinates and captivates Gives my heart no peace The mountain holds the sunrise In the prison of the night 'Til bursting forth from rocky chains The valley floods with light

Living one long sunrise For to me all things are new I've never watched the sky grow pale Or strolled through fields of dew I do not know of dust to dust I live from breath to breath I live to climb that mountain To the Fountain of Lamneth

[II. Didacts and Narpets]

Stay! Go! Work! No! Learn! Live! Earn! Give! Stay or fight? What's right? Listen!

[III. No One At the Bridge]

Crying back to consciousness The coldness grips my skin The sky is pitching violently Drawn by shrieking winds Seaspray blurs my vision Waves roll by so fast Save my ship of freedom I'm lashed helpless to the mast Remembering when first I held The wheel in my own hands I took the helm so eagerly And sailed for distant lands But now the sea's too heavy And I just...I just don't understand Why must my crew desert me? When I need...I need a guiding hand...

Call out for direction And there's no one there to steer Shout out for salvation But there's no one there to hear Cry out supplication For the maelstrom is near Scream out desperation But no one cares to hear

[IV. Panacea]

The whiteness of confusion Is unfolding from my mind I stare around in wonder Have I left my life behind?

I catch the scent of ambergris And turn my head, surprised My gaze is caught and held and I Am helpless...mesmerized

Panacea, liquid grace Oh let me touch your fragile face Enchantment falls around me And I know I cannot leave

Here's a meaning for my life A shelter from the storm Pacify my troubles with Her body, soft and warm

Naked in our unity A smile for every tear Gentle hands that promise me Comfort through the years

Yet I know I must be gone Before the light of dawn

Panacea, passion pure I can't resist your gentle lure My heart will lie beside you And my wandering body grieves

[V. Bacchus Plateau]

Another endless day Silhouettes of grey Another glass of wine Drink with eyes that shine To days without that chill at morning Nights time out of mind

[Chorus:] Draw another goblet From the cask of '43 Crimson misty memory Hazy glimpse of me Give me back my wonder I've something more to give I guess it doesn't matter There's not much more to live Another foggy dawn The mountain almost gone Another doubtful fear The road is not so clear My soul grows ever weary And the end is ever near [Chorus] [VI. The Fountain] Look! The mist is rising And the sun is peaking through See the steps grow lighter As I reach their final few Hear the dancing waters I must be drawing near Feel, my heart is pounding With embattled hope and fear Now, at last I fall before The Fountain of Lamneth I thought I would be singing But I'm tired...out of breath Many journeys end here But, the secret's told the same Life is just a candle and a dream Must give it flame The key, the end, the answer Stripped of their disguise Still it's all confusion And tears spring to my eyes Though I've reached a signpost It's really not the end Like Old Sol behind the mountain

I'm in motion I am still I am crying I am...still I'm together I'm apart I'm forever At the start

I'll be coming up again

Still...I am
