

## Speedo

Ry Cooder

Well, now they often call me Speedo  
But my real name is Mr. Earl (Earl, Mr. Earl)  
Well, now they often call me Speedo  
But my real name is Mr. Earl (Earl, Mr. Earl)  
And I'm just the kind of fellow who's always takin'  
Other folks' girls (girls, taking their girls)

They often call me Speedo, 'cause I don't believe  
In wastin' time (time, don't believe in wastin' time)  
They often call me Speedo, but I don't believe  
In wastin' time (time, don't believe in wastin' time)  
I've known some pretty women  
And I've caused them to change their mind (mind, change their mind)

Some, they call me Moe, and some, they call me Joe  
But just remember Speedo, he don't never take it slow

Now they often call me Speedo  
But my real name is Mr. Earl (Earl, Mr. Earl)

They often call me Speedo
