Stay with Me

Ryan Adams

```
Love when you call my name
It sends me running into the flame
I love you baby, just treat me right
Hold me closer in the middle of the night
I love you girl, and it's alright
Stay with me

Are you waiting, are you standing guard?
There's nothing they can steal from us
That isn't always yours
I love you baby, just treat me right
Hold me closer in the middle of the night
I love you girl, and it's alright
Stay with me, stay with me
Stay with me, stay with me

Like the speed of sound, or the speed of light
When you say my name, it feels so right
In the middle of the night
When you call my name
Don't worry, it's okay

I love you baby, just treat me right
Hold me closer in the middle of the night
I love you girl, and it's alright
Stay with me, stay with me
Stay with me, stay with me
```
