

## Like Me Or Not

Ryan Beatty

I don't care if you walk right by me with another guy see I got  
plenty of time,  
Plenty of time...yeah,  
You can blow me off, it won't make a difference, I won't listen  
, no changing it's mine,  
No changing, it's mine.

Sometimes you look, right, through,  
But all I see, is, all I see is you...yeah,

I'm kind of like a train that just won't stop,  
Trying to put the key inside the lock,  
Girl I'm gonna like you, like you, like me or not,  
I ain't ever gonna lose this plot,  
Waiting for you to connect the dots,  
Girl I'm gonna like you, like you, like me or not,  
Like me or not.

I don't care if you lose my number, ain't gonna crumble, ain't  
gonna fall to the floor,  
I always got more...yeah,  
You can tell all your friends that I'm not your type, but if yo  
u don't try me, how can you be sure,  
Well how can you be sure.

Sometimes you look right through,  
But all I see is, all I see is you...yeah.

I'm kind of like a train that just won't stop,  
Trying to put the key inside the lock,  
Girl I'm gonna like you, like you, like me or not,  
I ain't ever gonna lose this plot,  
Waiting for you to connect the dots,  
Girl I'm gonna like you, like you, like me or not,  
Like me or not.

Sometimes you just know,  
That you shouldn't let go.  
I'm kinda like a train that just won't stop, stop, stop,  
Girl I'm gonna like you, like you, like me or not.

I ain't ever gonna lose this plot,  
Waiting for you to connect the dots,  
Girl I'm gonna like you, like you, like me or not.
