

Love Will Come My Way

Ryan Beatty

She'll be shining
Where's she hiding?
Love will come my way
Sometimes I'm up
And sometimes I'm down
And I'm wondering if things are ever gonna turn around
One thing I know
Time changes all
And I spend most of mine just waiting for my turn to fall

Falling so hard for someone
When is that time gonna come?

Like a bright light, she'll be shining
Tonight, where's she hiding?
When the time's right
Love will come my way
Guess I'll keep on waiting
While she hesitating
When the time's right
Love will come my way
Love will come my wa-ay a-a-a-ay
wa-ay a-a-a-ay, wa-ay a-a-a-ay
Love will come my way

Everyone I see
They all got someone
Well me, I got no one
No one for me
Yeah I don't sweat it
But I just don't get it
There must be somebody
Out there for me

There'll be a time and a place
I'll know her when I'll see her face

Like a bright light
She'll be shining
Tonight, where's she hiding
When the time's right
Love will come my way
Guess I'll keep on waiting
While she hesitating
When the time's right
Love will come my way
Love will come my wa-ay a-a-a-ay
wa-ay a-a-a-ay, wa-ay a-a-a-ay
Love will come my way

Guess I'll keep on waiting
While she hesitating
When the time's right
Love will come my way
Love will come my
Wo-o wo-o-o-o-o wo-o
Wo-o wo-o-o-o-o wo-o

Wo-o wo-o-o-o-o wo-o
Love will come my way
Wo-o wo-o-o-o-o wo-o
Wo-o wo-o-o-o-o wo-o
Wo-o wo-o-o-o-o wo-o
Love will come my way

Like a bright light
She'll be shining
Tonight, where's she hiding?
When the time's right
Love will come my way
Guess I'll keep on waiting
While she hesitating
When the time's right
Love will come my way
Love will come my wa-ay a-a-a-ay
wa-ay a-a-a-ay, wa-ay a-a-a-ay
Love will come my way
Wa-ay a-a-a-ay
wa-ay a-a-a-ay, wa-ay a-a-a-ay
Love will come my way
Like a bright light
She'll be shining
Tonight, where's she hiding?
When the time's right
Love will come my way
