

## Sounds

Ryan Leslie

Don't ask any question (Shh)  
Just sit back and enjoy the ride (Yeah)  
(What's up) You don't have to stress none  
Let me handle you for the night (I got you)  
For the night, have you body singing like (Les'):  
Ow, ow, ooh (Make a sound for me)  
Ow, ow, ooh (Are you down for me)  
Ow, ow, ooh (Wear the crown for me)  
Ow, ow, ooh (Yeah, Les')

She says she always wanted to take a road trip out to West  
Imma bring my duffle girl, you just a bring a dress  
Fresh pair of jeans, California dreams  
Instagram poppin' call her Cara Delevingne  
Spend a couple days, all year salary  
You're a work of art, you belong in a gallery  
Louvres in Paris  
Body like métisse  
Get you in them sheets, damn shawty you a beast  
Leave the shades up, love me in the morning  
Movie on the phone baby send me that recording  
We hit the road in a matching pair of Jordans  
Throw you 20 stacks so you know that you're important  
I put you in that drop, screaming out we made it  
Rolling down the block, we know we the most hated  
Listenning to Pac, girl you are appreciated (The greatest)  
You're the greatest I ain't never gon' debate it

Don't ask any question (Questions)  
Just sit back and enjoy the ride (Yeah)  
You don't have to stress none  
Let me handle you for the night  
For the night, have you body singing like:  
Ow, ow, ooh (Let me handle that)  
Ow, ow, ooh (Push you with my [?])  
Ow, ow, ooh (you hanging out the window)  
Ow, ow, ooh (Show me what it's hittin' for)

I be on my hustle, haters tryin' to knock it  
I ain't tryin' to hear it if it ain't about the profit  
She get to screamin' and ain't no way to stop it  
Anything she need guaranteed Imma cop it  
Ask her what she want, she gon' get offended (Yeah)  
She gon' roll her eyes and tell me she independent  
Mean attitude sometimes gotta fight it (Fight it)  
Put that independent ass right up in the car (Let's go)  
Then your curves, they make you so opulent  
Watching how you ride, sell it (Yeah)  
Play that Marvin Gaye, when need that healing (Sexual Healing)  
Heavy too good but you're all up in your feelings  
We be in that drop, man I know they hating (Hating)  
Listenning to Pac say you are appreciated (Yeah)  
Know I should've probably said: I love you 'fore I skated (You're the greatest)  
But you're the greatest I ain't never gon' debate it

Don't ask any question

(Any questions babe)  
Just sit back and enjoy the ride (Yeah)  
(Enjoy the ride)  
You don't have to stress none  
(You ain't gotta stress none babe)  
Let me handle you for the night  
For the night, have you body singing like:  
Ow, ow, ooh (Oooh)  
Ow, ow, ooh (No, no, no)  
Ow, ow, ooh (Have your body singing like)  
Ow, ow, ooh (Have your body singing like)

You ain't gotta worry 'bout nothin'  
I'll take you all the way to heaven (Yeah)  
Les'  
Just ride with me

Say there's something 'bout the...  
Way you look tonight, it's real  
Say there's something 'bout the...  
Way you look tonight, it's thrill  
Can I lay you down babe?  
Can you make the sounds? (I like that)  
Can I lay you down babe?  
Can you make the sounds? (I love to hear that)  
Yeah
