

The Wood

Ryan Leslie

Oh no, no...

We finna take the club back
The thrill go girl, we 'bout the get the love back
You're so fly what's that skirt shape the pencil
So simple how you put it together (You killin')
Spent the evening in the nail salon (You know it)
They be schemin' when them heels go on (But)
But who that's stunna on them jumbotron
That's me motherfucker I'm finally on (Voilà)
Sold out shows, we need more of those
On the road from Marseille to Bordeaux
We rich now but came from piss poor
Swiss francs, euros, dollars, we gets more
I'm happy cause my shooter just died at the precinct
Don't babysit girl just down that Reisling (Throw it back)
Let's take a road trip to Napa
Listen to that Hendrix, Zeplin and Frank Zappa
I'm finna grab her, Instagram capture
Live more know, forget it the morning after (They talking 'bout us)
They know us, you know we set it off
I know they heard 'em with the shots when I let 'em on
I told these niggas I was most effective
It's hard to see the hate when the shades reflective
Imma tell you one fact it ain't hard to see
You looking for a real stunna, that's probably me

How you living Ryan? (Living)
Yeah I'm living good (Living)
I'm just out here representing for my neighbourhood (Living)
Plus all these independent women they want the wood (They want it)
Do they want the wood? Yeah they want the wood
How you living Ryan? (Living)
Yeah I'm living good (Living)
I'm just out here representing for my neighbourhood (I'm living)
Plus all these independent women they want the wood (They want it)
Do they want the wood? (They want it)
They want the wood

When it comes to the good life
Here's the checklist: champagne plus fresh OJ for breakfast (Fresh)
Good living, good women and good food (Yeah)
We good fellas, straight winning, we good dudes (You know it)
Salute to the ladies with their own tables (Killin')
Make a movie every night, catch me on cables (Watch this)
Especial that you love to see
The baddest woman in the world making love to me
You know the story, the story is so legendary (Legendary)
Too many tears he'll prolly never marry
For the moment may he might choose one (One)
Taking off for Paris and we might choose London (Boss)
Spend the afternoon at the London Eye (Eye)
Follow my moves cause they wonder why (Why)
I stunt so hard, I get that bread
Can't afford it, now record this fly shit I said

How you living Ryan? (Living)

Yeah I'm living good (Living)
I'm just out here representing for my neighbourhood (Lennox)
Plus all these independent women they want the wood (They want it)
Do they want the wood? Yeah they want the wood
How you living Ryan? (Living)
Yeah I'm living good (Living)
I'm just out here representing for my neighbourhood (New York)
Plus all these independent women they want the wood (They want it)
Do they want the wood? (They want it)
They want the wood

You know what it sound like (Living)
Imagination child-like (Yeah)
Do it how we do it, huh (All day)
Repeat it when the morning come
Life is a symphony (Playing)
Imma be that Mozart (Imma be)
Les' (Huh)
B.P.B.C. (Huh) (Oh)
Stuntin'
Celebrate (Yeah)
