

Panzerkampf

Sabaton

Into the motherland
The German army march

In the Soviet Union summer 1943
Tanks line up in thousands as far the eye can see
Ready for the onslaught
Ready for the fight
Waiting for the axis to march into a trap
Mines are placed in darkness
In the cover of the night
Awaiting to be triggered
When the time is right
In the night invasion
Every man attack
Once the battle started
There's no turning back

The end of the third reich draws near
It's time has come to an end
The end of an era is here
Its time to attack!

Into to the motherland the German army march
Comrades stand side by side to stop the nazi charge
Panzers on russian soil advancing in the east
One million men at war
Soviet wrath unleashed!

Fields of Prokhorovka
The heat of battle burned
Suffered heavy losses
The tide of war was turned
Driving back the germans
Fighting on four fronts
Pump them out of russia
Out of soviet land
Reinforce the front line
Force the axis to retreat
Sending all the rescources
Securing their defeat
Soldiers of the Union
Broke the citadel
Ruling???)Stalin's army
Fascists rest in hell!

The end of the third reich draws near
Its time has comew to an end
The end of an era is here
Its time to attack

Into to the motherland the German army march
Comrades stand side by side to stop the nazi charge
Panzers on Russian soil advancing in the east
One million men at war
Soviet wrath unleashed

Onward comrades! Onwards for the Soviet Union! Charge!

Ow mother Russia!
Union of lands
Will of the people
Strong in command
Ow mother Russia!
Union of lands
Once more victorious the red army stands!

The end of the third reich is here
Its time has come to an end
The end of an era is here
Its time to attack!

Into to the motherland the German army march
Comrades stand side by side to stop the nazi charge
Panzers on russian soil advancing in the east
One million men at war
Soviet wrath unleashed!
