

Diamonds Are Forever

Sabrina Carpenter

Think you got your break?
I'm no sugar mama, I'm no piggy bank
Tell me what you think nah, nah, nah
Stacking bills and counting change
I'm no Rockefeller, I'm not what you think no way nah, nah, nah

I'm your new money
Drop it all on your crew
Spent too soon, money
One percent I'm at the top of this earth money
That's what I'm worth honey, that's what I'm worth, worth, worth

I am a diamond, and diamonds are forever
My love is timeless, 'cause diamonds are forever, oh no, no

Money don't buy class, and I can't be bought like that, like that
I am a diamond, and diamonds are forever

Steal my heart, and steal my kiss
But you can't shake my balance, there's no can do no, nah, nah, nah
No can do no, nah, nah, nah
And I'll take you out, and I'll take you in
This love is my weakness nah, nah

I'm your new money (new money)
Drop it all on your crew
Spent too soon, money
One percent I'm at the top of this earth money
That's what I'm worth honey, that's what I'm worth, worth, worth

I am a diamond (diamond babe), and diamonds are forever (they're forever-
ever)
My love is timeless, 'cause diamonds are forever, oh no

Money don't buy class (don't buy class nah nah)
And I can't be bought like that, like that
Don't buy class nah, nah, nah
I am a diamond, and diamonds are forever, oh nah, nah, nah

(Diamonds, diamonds)
(Diamonds, diamonds)
Diamonds are forever baby
(Diamonds, diamonds)
What you gonna do for me darling?
(Diamonds, diamonds)
I guess you want me to
Give up these diamonds to you

I am a diamond, and diamonds are forever
My love is timeless, 'cause diamonds are forever
They're forever, no no no

Money don't buy class, and I can't be bought like that, like that
I am a diamond, and diamonds are forever

(Diamonds, diamonds)
Diamonds baby, diamonds no no

(Diamonds, diamonds)
Know your love, these diamonds are yours
(Diamonds, diamonds)
(Diamonds, diamonds)
I guess you want me to
Give up these diamonds to you
