

# I Don't

Sabrina Claudio

I'm so good at forgiveness  
Cause I found it for you so many times  
When I think I've hit my limit  
You push a bit further  
And I draw the line

I keep waiting, no I'm waiting for the tide to change  
But I know I'm the one to blame  
Cause I always choose to stay

I should be leaving  
You've given millions of reasons  
But I don't, no I don't, no I don't, no I don't  
Cause you know you're my weakness  
And I should be healing  
But I don't, no I don't, no I don't, no I don't

When I'm almost close to leaving  
(To leaving)  
You become who I always hope you be  
(Who I always hope you be)  
But it doesn't last 'til morning  
You pull me back into  
Our reality

I keep waiting, no I'm waiting for the tide to change  
But I know I'm the one to blame  
Cause I always choose to stay

I should be leaving  
You've given millions of reasons  
(But you know I don't)  
But I don't, no I don't, no I don't, no I don't  
Cause you know you're my weakness  
And I should be healing  
(But you know I don't)  
But I don't, no I don't, no I don't, no I don't

You're runnin' out of answers  
And I'm out of second chances  
But I give you another if you say you tried  
No I know that the truth is  
Tryna change a man is useless  
And I know

I should be leaving  
You've given millions of reasons  
But I don't, no I don't, no I don't, no I don't  
Cause you know you're my weakness  
And I should be healing  
But I don't, no I don't, no I don't, no I don't

But you know I don't  
But I don't, no I don't, no I don't, no I don't  
But you know I don't  
But I don't, no I don't, no I don't, no I don't
