

Take One to the Head

Sabrina Claudio

I feel your poison
Running through my veins
For once, I feel there's only one solution
To cope with our love slipping away

I'd rather take one to the head
Than hear the words you speak
You know it has the same effect

Your love's gone toxic, unresponsive
All your words have slurred
While you destroy, I'll be numbing
It feels much better

I'd rather take one to the head
Than hear the words you speak
You know it has the same effect
Just goes down more smoothly

Your love's addictive
Sweet as venom
I relapse out of fear
And I'll admit that I let you tell me
All these bad things
Just to keep you here

'Cause I'll just take one to the head
Don't hear the words you speak
And yes, it has the same effect
Just goes down all smoothly
I'd rather take one to the...
