Tell Me

Sabrina Claudio

Help me understand your love
Help me go the way you want me to go
'Cause I can't guess the things that you're thinking so
Help me understand your love
Tell me everything you want me to know
'Cause I can't fix it 'til I know that it's broken

Tell me you, tell me you do
Tell me you don't
Tell me you will
Then tell me you won't
Mmm baby
Tell me you, tell me you do
Tell me you don't
Tell me you will
Then tell me you won't
Can't take it

Tell me what you want
So I can understand your love

Help me understand your love
'Cause you're going 'bout this all the wrong way
And I can't figure out what you wanna say
Help me understand your love
Everyday you've got a different excuse
For why you can't just come and tell me the truth

Tell me you, tell me you do
Tell me you don't
Tell me you will
Then tell me you won't
Mmm baby
Tell me you, tell me you do
Tell me you don't
Tell me you will
Then tell me you won't
Can't take it

Tell me what you want
So I can understand your love

It's all out of my hands
I don't understand
'Cause I know you won't talk to me
Know you won't talk to me
I'm right here standing my ground
But I'll walk out if you're never gon' talk to me
Never gon' talk to me

Tell me you, tell me you do
Tell me you don't
Tell me you will
Then tell me you won't
Mmm baby
Tell me you, tell me you do
Tell me you don't

Tell me you will
Then tell me you won't
Can't take it

Tell me what you want
So I can understand your love

Tell me you will
Then tell me you won't
Can't take it

Tell me what you want
So I can understand your love
