

Anything for You

Said the Whale

Fears
I've got mine
Some to spare
But I'll be fine
So I'll go for the show
On the 4th of July
And there were fireworks
And the band go over the moon
Sayin' sing
But we don't know the words
Being told how to have fun
Was never really my thing
But I was over the moon
So I sang like a bird

For you
I would do anything for you
For you I would do anything
And it seems that I would do anything, anything
For you I would do anything

Young
We've got time
Some to spare
We'll be fine
So we ran for the hills
And we climbed
Fireworks like our years
Fly and then gone
So we howled at the moon
And we all sang along

For you
I would do anything for you
For you I would do anything
And it seems that I would do anything, anything
For you I would do anything

For you
I would do anything for you
For you I would do anything
And it seems that I would do anything, anything
For you, I would do anything
For you, I would do anything
For you, I would do anything
For you, I would do anything
For you, I would do anything
For you, I would do anything
For you...
