

Stars Above Us

Saint Etienne

Stars above us, cars below us
Out on the rooftop, baby
Stars above us, cars below us
Nothing can touch us, baby
Just had to get out of there
I'm tired of all of those places
Up here is out of sight
Outside with the breeze on our faces
Let's go up the stairway
My band doing it their way
Our sound's ruling all the airwaves
Butterflies taking flight
Stars above us, cars below us
Out on the rooftop, baby
Stars above us, cars below us
Nothing can touch us, baby
Stars above us, cars below us
Out on the rooftop, baby
Stars above us, cars below us
Nothing can touch us, baby
Sun sets over the city
Won't you come and catch it with me?
Follow me, right up the stairway
Let's have some fun tonight
Stars above us, cars below us
Out on the rooftop, baby
Stars above us, cars below us
Nothing can touch us, baby
Stars above us, cars below us
Out on the rooftop, baby
Stars above us, cars below us
Nothing can touch us, baby
Out on the rooftop, out on the rooftop
Stars above us
Out on the rooftop
Stars above us
Out on the rooftop
