

Ease Me

Sam & Dave

Ease me
With your loving
Ease me
With your hugging
Take me
Make me
Mold me
You control me

And I'm in your hands
I'm just like [?]

Please me
'Cause I'm willing
Ease me
It's so thrilling
And [?]
Every hour
[?] me
Just lift me

When I'm in your hands
I'm just like [?]

No problem is too big
That you can't help me solve them
Every worry I have
You can dissolve it
So, come on, baby

Ease me
With your loving
Ease me
With your hugging
Take me
Make me
And you mold me
You control me

When I'm in your little hands
I'm just like [?]
