

# I've Seen What Loneliness Can Do

Sam & Dave

Oh I've seen what loneliness can do, now listen  
That's why the things I most fear  
Is losing you, yeah  
Loneliness can turn a dream into dust (Oh yeah)  
Oh baby, don't let it happen to us

I've seen what loneliness can do  
Now let it tell you something

Now listen, I can accept responsibility with a smile, yes I can  
And give you the thing, the little thing  
That make life seem worthwhile  
But it take a strong-heart like mind (Woah woah, yeah now)  
To stand the pain loneliness leave behind  
Oh

I've seen what loneliness can do  
Now let me tell you about it

It can make your day seem dark as night  
And make you walk the road that's right  
It'll make you toss and turn and pain  
And make your tears fall just like rain  
Oh, I don't, I don't, I don't know  
I don't have to ask, no, nobody else-a  
'Cause I found now baby, I found out for myself, oh

I've seen what loneliness  
Oh, I've seen what lonely  
Yes, I've seen what loneliness can do  
Now let us sing one more time (Ooh ooh ooh)  
I seen what loneliness

Oh, I've seen what lonely  
Yes, I've seen what loneliness
