

Make You Miss Me

Sam Hunt

You hear a new song, it's your favorite
Pretty soon you'll be changing the station
And all your old shoes are looking brand new
They wanna be worn but they never get the chance too
Heavy into everything
Ready for the next thing
Catch a ride for a while than you're over it
You change your mind on it
Soon as the shines gone
Like you always do, but you don't know it yet but

Woahhhhhh whoahhhh
I ain't gunna be that easy to leave
Woahhhhhh whoahhhh
Girl I'm gunna make you miss me
Make you wish that you were sleeping in my shirt
Lie about my jacket and tell everyone it's yours
When your phone rings after midnight and you're thinking maybe it's me
Gunna make you miss me

You're cold and hot
You burn out like a match
Keep the slip knot and the strings you attach
You think it's easy, but that's a lie
The only reason that you're good at goodbye is
Every boy you ever met, was to easy to forget
Well, I ain't going out like that

Woahhhh whoahhh
I ain't gunna be that easy to leave
Woahhhh whoahhhh
Girl I'm gunna make you miss me
Make you wish that you were sleeping in my shirt
Lie about my jacket and tell everyone it's yours
When your phone rings after midnight and you're thinking maybe it's me
I'm gunna make you miss me

Woahhhh whoahhh
I ain't gunna be that easy to leave
Woahhhhhh whoahhhh
Girl I'm gunna make you miss me

Writing letters that you're never gunna mail
Stay up and paint my favorite shade of red on your nails
Cause you can't fall asleep and you're wishing you were with me
I'm gunna make you miss me
Make you miss me
Make you miss the way my hand fit in your hand
When you're dialing my number listening to my favorite bands
I'll say baby you know all you can say
Is come and get me
Wanna make you miss me
Gunna make you miss me
And ohhhh ohhhh ohhhh
I'm gunna make you miss me
