

Don't You Worry Child

Sam Tsui

There was a time, I used to look into my father's eye
In a happy home, I was a king I had a golden throne
Those days are gone, now the memories are on the wall
I hear the sounds of the places where I was born

Up on the hill across the blue lake, that's where I had my first
heart break I still remember how it all changed
my father said Don't you worry, don't you worry child
See heaven's got a plan for you Don't you worry, don't you worry now Yeah!

Don't you worry child, no

There was a time, I knew a girl of a different kind
We ruled the world, I'll never lose her out of sight,
we were so young I think of her now and then
I still hear the song that reminded me of my friend

Up on the hill across the blue lake, that's where I had my first
heart break I still remember how it all changed
my father said Don't you worry, don't you worry child
See heaven's got a plan for you Don't you worry, don't you worry now Yeah!

My father said, Don't you worry, don't you worry child
See heaven's got a plan for you Don't you worry, don't you worry now
Yeah!
