## Stronger

You know the bed feels warmer Sleeping here alone You know I dream in colour And do the things I want

You think you got the best of me Think you had the last laugh Bet you think that everything good is gone Think you left me broken down Think that I'd come running back Baby you don't know me, cause you're dead wrong

What doesn't kill you makes you stronger Stand a little taller Doesn't mean I'm lonely when I'm alone What doesn't kill you makes you fighter Footsteps even lighter Doesn't mean I'm over cause you're gone

What doesn't kill you makes you stronger, stronger Just me, myself and I What doesn't kill you makes you stronger Stand a little taller Doesn't mean I'm lonely when I'm alone

You heard that I was starting over with someone new But told you I was moving on over you

You didn't think that I'd come back I'd come back swinging You try to break me But you see

What doesn't kill you makes you stronger Stand a little taller Doesn't mean I'm lonely when I'm alone What doesn't kill you makes you fighter Footsteps even lighter Doesn't mean I'm over cause you're gone

What doesn't kill you makes you stronger, stronger Just me, myself and I What doesn't kill you makes you stronger Stand a little taller Doesn't mean I'm lonely when I'm alone

Thanks to you I got a new thing started Thanks to you I'm not a broken hearted Thanks to you I'm finally thinking 'bout me You know in the end the day to left was just my beginning In the end...

What doesn't kill you makes you stronger Stand a little taller Doesn't mean I'm lonely when I'm alone What doesn't kill you makes you fighter Footsteps even lighter

Doesn't mean I'm over cause you're gone

What doesn't kill you makes you stronger, stronger Just me, myself and I What doesn't kill you makes you stronger Stand a little taller Doesn't mean I'm lonely when I'm alone

What doesn't kill you makes you stronger, stronger Just me, myself and I What doesn't kill you makes you stronger Stand a little taller Doesn't mean I'm lonely when I'm alone When I'm alone...
