

# We Are Young

Sam Tsui

Give me a second, I  
I need to get my story straight  
My friends are in the bathroom  
Getting higher than the Empire State  
My lover, she is waiting for me  
Just across the bar  
My seat's been taken by some sunglasses  
Asking 'bout a scar

I know I gave it to you month ago  
I know you're trying to forget  
But between the drinks and subtle things  
The holes in my apologies  
You know I'm trying hard to take it back

So if by the time the bar closes  
And you feel like falling down  
I'll carry you home

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter than the sun

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter than the sun

Now I know that I'm not  
all that you got  
I guess that I  
I just thought  
maybe we could find ways to fall apart

But our friends are back  
So let's raise a cup  
Cause I found someone who can carry me home

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter than the sun

Tonight  
We are young (We are young)  
So let's set the world on fire (fire)  
We can burn brighter (brighter)  
Than the sun

Carry me home tonight  
Carry me home tonight  
Carry me home tonight  
Carry me home tonight

The moon is on my side  
I've got no reason to run

So someone come and carry me home tonight

The angels never arrived  
But I can hear the choir  
So someone come and carry me home

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter  
Than the sun

Tonight  
We are young (We are young)  
So let's set the world on fire (fire)  
We can burn brighter (brighter)  
Than the sun

So if by the time the bar closes  
And you feel like falling down  
I'll carry you home tonight
