

Nearer to you

Samantha Fish

I may do things you don't understand
But remember, I'm only doing the best I can
Every little thing I do I'm just trying to get closer to you
I'm sorry if I seem, ooh yeah, a little bit stubborn sometimes
I hope I'm not being a nuisance to you
I know you say that you will be home soon

Oh, got to be nearer, nearer to you

Every little thing I do I'm just trying to get closer to you
Every little thing I do I'm just trying to get closer to you
Oh, got to be nearer, nearer to you
Oh, got to be nearer, nearer to you
Oh, I've got to be nearer, nearer to you
