

# HEART KILLER

Sammie

Protect your heart from me yeah, girl  
I cried about a million times before  
And I lied about a million times more, about it  
So many faces and bodies oh my  
Passion and session I'm naughty oh my  
I want you but I'll be damned if I break your heart  
So here's the head start girl

Just run away run away love as fast as you can, you can  
'Cause if you stay, if you stay love you won't understand  
'Cause I don't  
I'm a make you fall in love, in love  
Knowing that I can't catch you  
Why don't you just run away love as fast as you can  
'Cause I don't

I don't wanna kill your heart  
If you could only feel my heart  
It's so cold, It's so cold  
I'm frigid, I'm timid I can't feel  
Though I want you, I'm sorry I can't deal  
I don't wanna kill your heart  
So run away, run away

I know you don't wanna believe, hey yo  
And if believing is seeing this deceiving you bad oh  
My truth somehow becomes a lie  
And that smile had turned to a cry  
I want you but I'll be damned if I break your heart

I don't wanna kill your heart  
If you could only feel my heart  
It's so cold, It's so cold  
I'm frigid, I'm timid I can't feel  
Though I want you, I'm sorry I can't deal  
I don't wanna kill your heart  
So run away, run away

Protect your heart from me  
Heart killer  
Protect your heart from me  
Heart killer  
I'm a make you fall in love, in love  
Knowing that I can't catch you  
Why don't you just run away,  
Run away as fast as you can  
'Cause I don't

I don't wanna kill your heart  
If you could only feel my heart  
It's so cold, It's so cold  
I'm frigid, I'm timid I can't feel  
Though I want you, I'm sorry I can't deal  
I don't wanna kill your heart  
So run away, run away  
Heart Killer, Heart Killer, Heart Killer
