

Insomnia

Sammie

Oh no no no
Yeah

It's three in the morning, I'm writing this letter,
I try to call, but I just can't dial
You're probably sleep anyway,
I'm feelin' like autumn, I'm in need of change
I made you feel like everything you did wasn't enough,
It's my own insecurities, they've gotten the best of me, oh oh
Maybe it's too late now but I'm still holding on to the thought of us

So, right now in this early hour,
I profess all my love, and I confess all my wrongs
I can't sleep, bout to take a hot shower
Hope that it helps to wash this pain away

I'm going under, insomnia
Up all night, I can't rest my mind
I'm going under, insomnia
Oh oh oh
Insomnia

I think I'm losing my mind,
Cause I called out your name,
Swear I heard a reply, but you're there
And I'm here, all alone with my fears,
And these thoughts in my head
When you read this letter I hope
That you feel my heart,
All wounds in time heal
But you left with the scars and I'm sorry
For all the pain I've caused you, girl
Damn I hope these words mean something

So, right now in this early hour,
I profess all my love, and
I confess all my wrongs
I can't sleep, bout to take a hot shower
Hope that it helps wash this pain away

I'm going under, insomnia
Up all night, I can't rest my mind
I'm going under, insomnia
Oh oh oh

Don't miss a good thing til it's gone, it's happening but now I see
Don't know what's right until it's wrong, I'm so undone & empty
Girl, I'm trying
Said I'm trying girl.
Girl, I'm trying
Said I'm trying girl.
I'm tired of the sleepless nights
Wish you could feel my chest, my heart ain't beating right

So, right now in this early hour,
I profess all my love, and
I confess all my wrongs

I can't sleep, bout to take a hot shower
Hope that it helps wash this pain away.

I'm going under, insomnia
Up all night, I can't rest my mind.
I'm going under, insomnia
Oh oh oh
Insomnia
