A deeper kinda love Has no borderlines, no ties A deeper kinda love Can bring you down and lift you up so high A phoenix starts to rise from the ashes inside my soul Leaving old wounds behind, a new me is born And you show me your world So dangerous, but I let go And when I fall, I fall deep Into a deeper kinda love A deeper kinda love Can also bring hurt and pain And in the shadow that it casts Lies jealousy, fear, and hate The more I have to win means the more I have to lose And it hits home And when I think of losing you And your deeper kinda love You've shown me a world So dangerous, still I let go And when I fall, I fall deep Into a deeper kinda love A deeper kinda love Has no borderlines, no ties A deeper kinda love Can bring you down and lift you up so high A phoenix starts to rise from the ashes inside my soul Leaving old wounds behind, a new me is born And you show me your world So dangerous, but I let go And when I fall, I fall deep Into a deeper kinda love Show me your world Just show me your world Show me your world A deeper kinda love Show me your world A deeper kinda love Show me your world A deeper kinda love ...
