

## Deeper Kinda Love

Sammy Hagar

A deeper kinda love has no borderlines, no ties  
A deeper kinda love can bring you down and lift you up so high  
A phoenix starts to rise from the ashes inside my soul  
Leaving old wounds behind, a new me is born  
And you show me your world

So dangerous, but I let go  
And when I fall, I fall deep  
Into a deeper kinda love  
A deeper kinda love can also bring hurt and pain

And in the shadow that it casts lie jealousy, fear and hate  
The more I have to win, the more I have to lose and it hits home  
And when I think of losing you and your deeper kinda love  
You show me a world

So dangerous, still I let go  
And when I fall, I fall deep  
Into a deeper kinda love  
A deeper kinda love

A deeper kinda love has no borderlines, no ties  
And a deeper kinda love can bring you down and lift you up so high  
A phoenix starts to rise from the ashes inside my soul  
Leaving old wounds behind, a new me is born  
And you show me your world

So dangerous, but I let go  
And when I fall, I fall deep  
Into a deeper kinda love

(Show me your world) A deeper kinda love  
(Show me your world) A deeper kinda love  
(Show me your world) A deeper kinda love  
(Show me your world) Just show me your world

(Show me your world) I want a deeper kinda love  
(Show me your world) A deeper kinda love  
(Show me your world) A deeper kinda love  
(Show me your world)
