Sammy Hagar

1, 2, 3, 4

I wasn't lookin' for a big romance  
You play at love, you always take a chance  
But I never thought I'd be losing ground so fast

Don't know exactly what you did to me  
That started all this crazy chemistry  
And I've been waitin' around  
But the thrill just hasn't passed

Oh can't you hear it my (Heartbeat)  
Goin' faster and faster (Heartbeat)  
And its you that I'm after (Heartbeat)  
It tells me that it's true

Oh, can't you feel it my (Heartbeat)  
And it's racin' like fire (Heartbeat)  
I'm so hot with desire (Heartbeat, heartbeat)  
Feel my heartbeat, 'cause its all for you

I only thought it was a one night stand  
But this affair has gotten out of hand  
My nerves are wearin' thin, I just can't keep it in

Now I've gotta hold you in my arms each night  
We hit the rhythm and it sure feels right  
I gotta justisify, my heartbeat doesn't lie

Come close and feel it my (Heartbeat)  
Goin' faster and faster (Heartbeat)  
Yeah its you that I'm after (Heartbeat)  
It tells me that its true

Oh can you hear its my (Heartbeat)  
And it's ragin' like fire (Heartbeat)  
Ooh, I'm so hot with desire (Heartbeat, heartbeat)  
You feel my heartbeat and it's all for you

(Heartbeat, heartbeat)  
(Heartbeat, heartbeat)  
(Heartbeat, heartbeat)

(Heartbeat)  
Goin' faster and faster (Heartbeat)  
Yeah, it's you that I'm after (Heartbeat)  
It tells me that its true

Come on and feel it my (Heartbeat)  
Just racin' like fire (Heartbeat)  
Ooh, I'm so hot with desire (Heartbeat, heartbeat)  
You're feelin' my heartbeat, says it's all for you

Oh yeah  
(Heartbeat, heartbeat)  
(Heartbeat, heartbeat)  
Faster and faster

(Heartbeat, heartbeat)  
Racin' like fire  
(Heartbeat, heartbeat)  
You're feelin' my  
(Heartbeat, heartbeat)  
Faster and faster  
(Heartbeat, heartbeat)  
Feelin' my
