

# I Love This Bar

Sammy Hagar

Well, we got winners  
We got losers  
Chain smokers and boozers  
And we got high-techs  
We got bikers  
And plenty of thirsty hitchhikers

And the girls next door dress up like movie stars  
Hmm, hmm, hmm  
I love this bar

We got divorcees  
And a big ol' bouncer man  
We got dancing girls  
We got a damn good band  
We got waitresses  
Yeah, we got bar flies  
We got a dumb ass  
We got a wise guy

And if we get too drunk you can sleep out in your car  
Uh huh, huh  
I sure love this bar

I love my bar  
My kind of place  
Where just walking through that front door  
It puts a big smile on my face

No cover charge  
Come as you are  
Uh huh, huh  
Whoo, I love this bar

I like my truck (I like my truck)  
I like my old lady (I like your girlfriend)  
I like to take her out to dinner  
Take in a movie now and then

But I love my bar  
It's my kind of place  
We just strolling around the dance floor  
Keeps a big smile on my face

It ain't too far  
So come as you are  
Uh huh, huh  
I sure love this bar

'Cause we got [Sammy Hagar "Red"] heads  
We got [Grateful Dead "Dead"] heads  
We got a bunch of juicers and potheads  
And we got [Van Halen "Cabo Wabo"]  
Now we got Tahoe  
Come on baby, the whole world's gonna [Van Halen "Cabo Wabo"]

And we all know just exactly who we are, don't we now

Uh huh, huh  
I love this bar, well  
Uh huh, huh  
I love this bar, whoo yes I do  
Yeah man, uh
