

# Thank God You're Gone

Sammy Kershaw

Well I really look a mess  
Ever since you left I guess  
And the grass outside needs mowin'  
Laundry's stacked up three foot tall  
But I don't even care at all  
And I don't know where I'm goin'

Thank God you're gone  
So you don't see me fall apart  
Pickin' up the pieces of my shattered broken heart  
When you left me, my world came down  
It's a good thing you're not around to see  
I'm really not that strong  
Thank God you're gone

Well they took all my things today  
Even hauled my truck away  
And the vines died that grew our roses  
Don't know if it will ever end  
Seems like I can't find a friend  
I find a door and it just closes, so...

Thank God you're gone  
So you don't see me fall apart  
Pickin' up the pieces of my shattered broken heart  
When you left me, my world came down  
It's a good thing you're not around to see  
I'm really not that strong  
Thank God you're gone

Thank God you're gone  
So you don't see me fall apart  
Pickin' up the pieces of my shattered broken heart  
When you left me, my world came down  
It's a good thing you're not around to see  
I'm really not that strong  
Thank God you're gone

Thank God you're gone
