

# I Love You Like a Lunatic

Sandi Thom

Ooh, oooh,  
You've got a hold on me, can't you see  
We've been standing together now for so long  
i don't know why, you stay  
when I haven't money for days  
if you give me your hand  
then I'll take you home because  
that's where you belong  
that's where you belong

I love you like a lunatic,  
the kind of love that makes you sick  
I'll hold you in my arms till I die  
Oh love you with a crazy heart,  
I love you till I fall apart  
you don't know what I feel inside  
oh it's a messy love  
darlin a messy love

I've fallen head over heels. i'm losing my faculties  
Cuz you made me feel so new  
just like I want to feel  
ooh you've got the patience of an angel, my dear  
ooh know I am a pain in the ass who's stuck the years a for all that  
I miss  
I promise you this  
that kind of love that makes you sick  
I'll hold you in my arms till I die  
love you with a crazy heart  
I'll love you till I fall apart  
you dont' know what I feel inside

It's a messy love  
darlin a messy love

they don't make love like they used to  
no cuz these days it's a factory life  
but this love is wanted for murder baby  
cuz you're killing this heart of mine  
because I love you like a lunatic  
the kind of love that makes you sick  
I'll hold you in my arms till I die  
oh love you with a crazy heart  
I'll love you till I fall apart  
you don't know what I feel inside  
oh its a messy love  
darling a messy love
