

## Maybe Tonight

Sandra

Look at you  
Staring at me from the bar over there  
It's not all about me  
Suddenly you're sitting next to my chair

No no I just can't stop  
No no I'll never stop

Maybe tonight  
You're making it dangerous  
It depends on how you're playing  
Maybe tonight  
You're making me curious  
But don't blame it all on me

It's one for emotion  
Two for love  
Three for everything  
You're thinking of  
Maybe tonight  
Maybe tonight

Let me go  
Stop sharing all your illusions with me  
Cause I know  
One day you'll hurt me and won't come  
back to me

Maybe tonight  
You're making it dangerous  
It depends on how you're playing  
Maybe tonight  
You're making me curious  
But don't blame it all on me

It's one for emotion  
Two for love  
Three for everything  
You're thinking of  
Maybe tonight  
Maybe tonight
